

INTERNATIONAL CONFERENCE ON *PEDIATRICS AND NEONATOLOGY*

**THEME: NURTURING NEW LIFE:
INNOVATIONS THAT INSPIRE THE FUTURE OF CHILD HEALTH**

Date: March 09-10, 2026 | Venue: Bangkok, Thailand

WELCOME MESSAGE:

Dear Colleagues and Esteemed Members of the Pediatrics and Neonatology Community,

We are honored to welcome you to the **International Conference on Pediatrics and Neonatology 2026**, taking place from **March 09 to 10, 2026**, in the vibrant and culturally rich city of Bangkok, Thailand.

This distinguished event will bring together leading pediatricians, neonatologists, researchers, healthcare professionals, and clinical innovators from around the world to share the latest breakthroughs, evidence-based practices, and transformative approaches in pediatric and neonatal care. Under the theme "Nurturing New Life: Innovations That Inspire the Future of Child Health", the Pediatric Conference will feature an engaging program of keynote lectures, panel discussions, interactive workshops, case-based learning, and original research presentations. Topics will span critical care in neonatology, developmental medicine, pediatric surgery, neonatal nutrition, infectious diseases, congenital disorders, and emerging technologies in maternal and child health.

This international forum is designed to foster interdisciplinary dialogue, encourage collaborative research, and inspire the next generation of clinical excellence in pediatrics and neonatology. It offers a dynamic platform for exchanging ideas, addressing current challenges, and exploring solutions that enhance patient care from infancy through adolescence.

Set in Bangkok, a city known for its medical innovation and deep cultural heritage, the pediatrics conference also offers an exceptional opportunity to network with global experts while enjoying world-class hospitality and the unique fusion of traditional charm and modern vibrancy.

We warmly invite all professionals dedicated to improving the health and well-being of children and newborns to join us in Bangkok for an inspiring and impactful experience at the Pediatrics and Neonatology Conference 2026.

We look forward to your valued participation.

PROGRAM AGENDA

DAY 1 | MARCH 9, 2026

| | | |
|-------------|---|----------------------|
| 09:00-10:00 | • | Keynote/Plenary Talk |
| 10:00-10:30 | • | Coffee/Tea Break |
| 10:30-13:00 | • | Sessions |
| 13:00-14:00 | • | Lunch Break |
| 14:00-16:00 | • | Sessions |
| 16:00-16:20 | • | Coffee/Tea Break |
| 16:20-17:30 | • | Sessions |

DAY 2 | MARCH 10, 2026

| | | |
|-------------|---|----------------------|
| 09:00-10:00 | • | Keynote/Plenary Talk |
| 10:00-10:30 | • | Coffee/Tea Break |
| 10:30-13:00 | • | Sessions |
| 13:00-14:00 | • | Lunch Break |
| 14:00-16:00 | • | Sessions |
| 16:00-16:20 | • | Coffee/Tea Break |
| 16:20-17:30 | • | Sessions |

CONFERENCE HIGHLIGHTS

International Conference on Pediatrics and Neonatology 2026 – Scientific Tracks & Key Focus Areas

The Neonatology Conference 2026 will present a comprehensive and forward-looking scientific program, showcasing the latest clinical innovations, translational research, and multidisciplinary strategies to advance child and neonatal health. The following thematic tracks and subtopics will structure the conference's academic sessions:

- Neonatal Intensive Therapy
- Maternal Fetal Medicine
- Pediatric Immune Disorders
- Children's Surgery
- Growth and Endocrine Disorders
- Child Neurology
- Heart Disease in Pediatrics
- Pediatric Hematology
- Genetic Medicine in Children
- Emergency Pediatrics
- Digital Pediatrics
- Endocrinology in Children
- International Child Health
- Infectious Diseases in Children
- Pediatric Lung Diseases
- Community Health and Child Wellbeing
- Nutrition and Metabolic Health in Children
